

Submitter: Sandra Caron

On Behalf
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
and World Affairs

Measure: SB1548

Amendment to my previous comment/vote: I spoke to someone after I submitted my
vote. I am afraid I got confused.

I desire lots of light in the evenings!! And I desire light in the mornings no sooner
than 6am/7am!!

Not sure what that is called "legally!"

Thanks,

Sandra Caron
