On Behalf Of: WE CAN'T AFFORD HJR201
Committee: House Committee On Rules
Measure: HJR201

Legislators. Oregonians already pay higher taxes than most other states.
HJR Removes current local control over property taxes from counties/cities. Do you realize it would allow a statewide SCHEME without LIMITS?
Have you read the OREGON Constitution? Do you understand it will remove Constitutional limits on property tax rates and assess rates with sneaky exceptions?
Can you explain as a Senior on a limited income how I will be able to live in my home when property taxes become limitless?
Have you taken the time to speak at the Senior Centers to explain HJR201? IF NO, please explain yourselves.
WE THE PEOPLE OPPOSE HJR201
