

Submitter: Patricia Corbett-Kline

On Behalf
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
and World Affairs

Measure: SB1548

Re: Senate Bill 1548

It is time we quit switching our clocks twice a year. We pay the price with increased medical issues: cardiac events, sleep deprivation , and accidents/injuries. There is a reason this issue keeps coming up. Please be a voice for your constituents and end the time changes twice a year. Thank you.
