Measure: HB4075

I live in Multnomah county, with the rising prices of everything from property tax to fuel to groceries and other essentials, the middle class is being wiped out! I am a small business owner and rely on the ability to commute across the city and am already losing profits by the heavy tax burdens of this city alone. A statewide tax on all assets would absolutely break me and others like me. I STRONGLY oppose this bill in every possible way!
