On Behalf Of: Mr Oregon SUPPORT SB 1568  
Committee: Senate Committee On Labor and Business  
Measure: SB1568

I SUPPORT [SB 1568].

There is a problem with [SB 1568] that might have ben overlooked, [SB 1568] could create a "monopoly" impacting poor counties in Oregon.

Too bad. I support the electrical workers of [IBEW Local 48] and {IBEW Local 280}.
