Measure: HB4075

I oppose HB 4075. I am against a state wide property tax. We already pay some of the highest taxes in the country and see no accountability for where that money goes. You are getting ready to tell us against the majority's wishes and now you want this. So since I am opposed to a state wide property tax I am opposed to a task force to determine how to use it.

I am opposed to a public safety task force because we do not need one more government created oversight organization, we already have too many. This seems to be a dangerous task force as public safety can be anything. It's also one more way for the state to pocket or reappropriate money with no oversight or accountability.
