

Submitter: David Wall
On Behalf Of: Mr Oregon Opposes SB 1576
Committee: Senate Committee On Judiciary
Measure: SB1576

I OPPOSE [SB 1576] AS WRITTEN.

I strongly Support the issue of "Recreational Immunity" as prescribe in the (dash-3) Amendment.

I also strongly Oppose the (dash-4) Amendment. Local Voters should control their counties and circuit courts activities.

Either the Legislature can resolve the aforementioned in the "short-session" good for all of us but, I seriously doubt it happening.

I suspect [SB 1576] must be decided in the long Session

Good Luck.
