On Behalf Of: Mr Oregon SUPPORTS SB 1542  
Committee: Senate Committee On Finance and Revenue  
Measure: SB1542

I SUPPORT [SB 1542].

The Corporate Activity Tax (CAT) should be eliminated.

The CAT increases inflation on just about everything. The costs of CAT are transferred to customers.

The transfer of CAT to customers is a Tax customers are compelled to pay.

The CAT also requires a corresponding increase in the size of government to oversee the program-another Tax increase.

So, we pay higher costs for goods and services and to fund the increase in government required to administer the CAT.

We deserve to be "Tied to the CAT-Whipping Post."

David S. Wall

Mr. Oregon Concur, "Do away with the CAT and do not vote for Legislators who support it."
