

Submitter: Nancy Hildebrandt

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

It is outrageous that the state government is thinking of adding yet another tax when so many people are already having trouble making ends meet, and prices are going up on a daily basis. You add a new kind of property tax, people have to give up their homes, landlords have to raise rents, more people become homeless. How many new homeless people do you want to create with your taxes? We have to live within our dwindling means, please live within yours.
