

Submitter: Kathleen Sitton

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I vehemently object to SJR20. I am a farmer's wife. I am a citizen of Oregon. I am a citizen of the USA. Oregon does not need to tax its citizens any more than it already does. At least 4 agencies failed financial audits. When my government cannot track where and how it is using tax dollars, it should not expect to receive more. When the government of Oregon is failing to meet the expectations of its citizens, it should look to operations and fix them.

NO Vote on SJR201 !
