

Submitter: Chad Kernutt  
On Behalf Of: WE THE TAXPAYERS and CONSUMERS  
Committee: House Committee On Revenue  
Measure: HB4133

Dear Lawmakers,

Please vote YES on HB-4133!! All taxes on employers and companies get passed on to the consumers as they make adjustments for their profits based on the costs going up. Therefore any tax put on companies is a hidden sales tax that goes straight to WE THE CONSUMERS. We don't want rising taxes and costs for products. We want tax breaks and cheaper products. Please vote YES on HB-4133 making Oregon a more business friendly state and cheaper for people to live in. Thank you.

Sincerely,  
Chad Kernutt
