Us Oregonians say no to more taxes, we cant afford it a lot of people will leave this state due to democrats spending. I live in rural Oregon and we do not get ANY of the benefits Portland or Salem or any of the metro areas get. Our local areas should be setting our own taxes. Do not agree to this we say NO. Hear us please or you will be left without a lotnof tax payers who are leaving in droves because of dangerous things like this.
