On Behalf Of: River users

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

Chair Golden and members of the committee, thank you for not moving this bill forward. SB1589 has invited hundreds of users back out on the water. We feel safe on our paddle boards, safe on our kayaks, and safe floating with family and friends near their docks. There are still a few bad actors on the water, but it's gone back to a waterway we can share, which all were able to do before big boats and their monster wakes ruined the fun for everyone. We shouldn't undo good policy.
