Measure: HB4075

To whom it may concern,
I'm writing to oppose HB4075. This is a dangerous road to go down, to allow the state to control our property taxes with no cap. This could potentially put people out on the streets. Seniors and disabled people would not have the ability to earn more money to cover the extra expenses for the increase. Please consider how hard the average person works to make ends meet. To put this extra burden on all of us is extremely discouraging. If I could vote on this, mine would be against it for sure.
Frustrated Oregonian,
