

Submitter: Ethan Yip

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

Being 17 years old in West Linn, I don't have the resources to travel to the Columbia River or North of downtown Portland to participate in towed watersports. It's a burden to go that far and use up so much fuel. I represent the high schoolers who share this sentiment. The sport should stay local and accessible. With proper education, the sport is safe and minimizes any offensive with all parties.
