

Submitter: Dennis Hebard

On Behalf Of: Common sense

Committee: Senate Committee On Veterans, Emergency Management, Federal and World Affairs

Measure: SB1548

We should be on daylight savings time all the time. The few months of standard time in winter really shortens the day

Being on standard time in spring and summer would be two hours off our neighboring states and would throw off TV scheduling

Sports would be on at the wrong time,

Daylight savings time all year...
