On Behalf Of: Mr Oregon OPPOSES SB 1583  
Committee: Senate Committee On Education  
Measure: SB1583

I OPPOSE [SB 1583].

[SB 1583] is deceptively worded. The doctrine of speaking with the 'Forked Tongue' is obvious upon cursory inspection.

[SB 1583] should not be decided by the Legislature (mainly because the Legislature is pretty screwed up on this issue.)

The issues contained in [SB 1583] should be decided by Local Control yet, this philosophy does not preclude Local jurisdictions using books celebrating; sexual perversion, life-styles and pedophilia for indoctrination goals.

Children, not yet at the age of maturity referenced by law, should not be subjected and or indoctrinated into accepting, sexual perverted lifestyles by books and or any and all recorded means, at any time of their education.
