

Submitter: Joe Reiss

On Behalf Of: NA

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure: HB4106

I strongly oppose HB 4106. If passed, this bill would undermine the state forest plan to conserve crucial fish and wildlife habitat and would result in more clearcuts, less habitat, and more timber industry lawsuits. Please don't let this bill pass out of committee.

There has to be an alternative to HB 4106.
