Measure: HJR201

- We can't afford it! Oregonians already pay higher taxes than most states.
 - It is a slap in the face to remove current local control over property taxes from Counties/Cities by allowing new statewide property tax scheme without limits.
 - Portland dominates the state in so many ways. They are also so irresponsible with their funds. This would allow for rural counties to pay more for the city of useless leadership and spending, Portland.
 - Removes current Constitutional limits on property tax rates (Measure 5) and assessment rates (Measure 50) with questionable exceptions.
 - I am a senior on a fixed income. This can throw seniors, the disabled and other limited income Oregonians out of their homes as property taxes become limitless.
 - HJR 201 needs to be a referral to voters, because that is the only way politicians can remove/tinker with current Constitutional property tax limits that protect home owners.
- Learn how to MANAGE the funds of the state. We simply don't have the money to keep funding these schemes.
