Measure: HB5201

To Whom It May Concern,

I am writing to provide my full support for the Hillsboro Hops and their ongoing efforts to promote youth engagement and active play opportunities in our community. As Executive Director of a local Youth Development non-profit, I have had the pleasure of collaborating with the Hillsboro Hops on several occasions, witnessing firsthand the positive impact they have had on the lives of countless young people in the Portland Area.

Through active play activations and youth engagement initiatives, the Hillsboro Hops have provided invaluable opportunities for local youth to participate in baseball activities, have fun, and interact with professional baseball players. These initiatives not only promote physical activity and healthy lifestyles but also foster a sense of community, belonging, and aspiration among our youth. The Hillsboro Hops' commitment to supporting youth sports and recreational programs is commendable, and their dedication to making baseball and softball accessible to all members of our community is truly inspiring. I firmly believe that their efforts have a profound and lasting impact on the lives of our youth in our community.

I am proud to express my full support for the Hillsboro Hops and their mission to foster positive change in our community through the power of baseball and softball. I strongly encourage you to consider supporting their efforts, as they have the potential to benefit not only Hillsboro but all surrounding communities in our region.

Thank you for your attention.

Swing For The Fences,
