Committee: House Committee On Behavioral Health and Health Care

Measure: HB4139

I OPPOSE [HB 4139].

The Certificate of Need (CON) opens the door of "No Oversight" by OHA over the applicant(s) for the CON.

Drug treatment facilities are cropping up in Yamhill County and there is a lot of money to be made.

Is there appropriate "Oversight" to insure patient care?

How is patient care delivered professionally in the best interests of the patient?

I haven't seen any reference in [HB 4139] concerning the Joint Commission of Accreditation of Healthcare Organizations [JCAHO] authorization of CON issued by OHA.
