Please help the Eugene Emeralds! My first memory of baseball with my Grandpa was about 58 years ago at Civic Stadium. The life experiences and memories are priceless. Attending Eugene Emeralds baseball through the years is something I have shared with my 3 children, granddaughter and friend. As a family we continue to make memories in life and the Eugene Emeralds are one of our family traditions. The Eugene Emeralds are a staple in our community and with a little help can continue to grow fostering a safe family atmosphere filled with some of the greatest fans of all times. The Eugene Emeralds need our support to continue, find the stability this great organization deserves and continue to support positivity throughout our community. Thank you. Sincerely an Em's fan for life, Kathryn Awesome
