

Submitter: Steven Retzlaff

On Behalf
Of:

Committee: Joint Committee On Ways and Means Subcommittee On Capital
Construction

Measure: HB5201

Members of the committee,

I am in favor of building a new stadium for the Eugene. Emeralds. They have been part of our community for as long as I have been alive.

Families take their children to the games and those children take their children. We need to keep that part of our community alive for future generations.

Steven
