

Submitter: Andrew Traisman

On Behalf Of: Lane County Multi-Use Facility

Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: HB5201

To Co-Chair Holvey, Co-Chair Girod, and Members of the Committee:

Our Eugene Emeralds are on the clock!

For 70 years professional baseball has enhanced our community of Eugene. With a ballot measure to make up the difference, the voters can decide whether baseball stays or leaves. This is democracy in action!

The Emeralds are committed to investing \$23.5M upfront into a Fairgrounds facility that will be owned by the public.

The fairgrounds are tired and underused. The Emeralds will serve to invigorate this essential public place in the center of town.

I urge our lawmakers to move forward in support of keeping professional baseball in Eugene. Its loss would be incalculable.

Please support a bond measure that will let the voters decide if there's community support for a Lane County Multi-Use Facility.

Please help to SAVE OUR EMS!

Most Respectfully,  
Andy Traisman
