On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB1591

I support for the increase of 7 residents , my name is Larisa Ilie and I've had a home for 9 years and we can greatly help the elderly with an increase . With our loving care to be spread out to more of the elderly .

Also an increase in Medicaid Is greatly needed, we can not afford to keep our homes opened with such low rates . It saddens me the little value you put on us and the elderly .
