

Submitter: Anthony Luquin

On Behalf
Of:

Committee: Joint Committee On Ways and Means Subcommittee On Capital
Construction

Measure: HB5201

Hello commissioners:

As a many decade fan of the Eugene Emeralds. It would be devastating to lose the value they bring to our community. The dollars generated.... Employment.. visitors who travel to games here....and the entertainment value they provide to the community...please search for a solution to retain our Emeralds....

Anthony Luquin
