

Submitter: Steven Olson

On Behalf
Of:

Committee: Joint Committee On Ways and Means Subcommittee On Capital
Construction

Measure: HB5201

Good afternoon Senator,

I wanted to write to give my support to the Hillsboro Hops to help them obtain the required support they need to build their new stadium. I think the Hops are a point of pride in the area and make a big difference in the attractiveness of our area. Thanks for any actions you can take in support.

Steven Olson

Hillsboro resident
