

Submitter: Orlena Ballard

On Behalf
Of:

Committee: Joint Committee On Ways and Means Subcommittee On Capital
Construction

Measure: HB5201

Dear Senator Sollman,

I believe that it is very important to Hillsboro, Washington County and the state of Oregon, that we keep the Hillsboro Hops in our community. They serve as a great tax base and do so much for the community at large. Their contribution to Hillsboro, Washington County and the state is immeasurable.

Thank you,
Orlena Ballard
