Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: HB5202

I am in support of HB5202. I am retired and have found working the Hillsboro Hops, a wonderful experience. I have observed different people from all stages in life enjoy watching Hops games. Grandparents with grandchildren, fathers explaining and celebrating the game with their children, teens enjoying the game with friends, boyfriends and girlfriends, neighbors with neighbors etc. It would be a shame to not have the Hops in Hillsboro to provide a place for community to gather, have fun and celebrate. "Baseball is still the godfather of American sports"

Please vote in support of HB520
