Construction

Measure: HB5201

I've attended games at the stadium, taken photos for my California brother who LOVES baseball, and gotten help from the office staff when I bought a "scam" ticket. The customer service is great and the accommodations have been great. I hope they get the funding they need to do the necessary upgrades, as it would be sad to lose that entertainment option. I hosted guests from all over the world in my Airbnb apartment in my house, and many just loved going to games and other events at that location. Please keep it in Hillsboro.

Thank you for all you do for our area! Judy Jensen, native Oregonian and long-time resident in the Hillsboro/Beaverton area.
