On Behalf Of: Lane County Multi-Use Public Facility

Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: HB5201

Dear Co-Chair Holvey, Co-Chair Girod, and Members of the Committee,

My family and I wish to notify you of our support for the Eugene Emeralds ("Ems") and their efforts to build a multi-use public facility in Lane County. In a world where family-friendly, outdoor, low-cost activities are increasingly difficult to find we look forward to summers of baseball. We have been fans of the team for many years and fondly remember the Civic Stadium days, when the Ems had their own stadium. Their games were always a central event for us and our entire social network, and we would love to see this tradition continue. Clearly the financial aspects of funding a stadium are complicated, but we implore you to help find a solution that works well for all parties and preserves this excellent entertainment option for many years to come.

With respect and appreciation for your diligence,

Randall Brous and family
