On Behalf Of: Lane County Multi-use Public Facility

Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: HB5201

Dear Co-Chair Holvey, Co-Chair Gerod and Members of the Committee,
I think building this facility in the heart of Eugene would be such an asset to our community. It would be walkable and bike friendly for many to access, have safe and positive place for our youth and bring so many folks together. The Eugene Em's baseball was a staple in my childhood and I'd love for my kids to make the same memories.

Please consider our vote in support and appreciate your time and consideration.
