

Submitter: Nicholas Tedesco

On Behalf Of: Lane County Multi-Use Public Facility

Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: HB5201

Co-Chair Holvey, Co-Chair Girod, and Members of the Committee:

As a father of 2, a baseball fan, and a fan of the outdoors, I urge you to vote to approve the proposed plan for the Eugene Emerald's stadium. There are limited family-friendly venues and events for young children without their presence in our community. Baseball is "America's past-time", it's been part of Lane County for over 5 decades, provides multiple days and nights of family-friendly entertainment, and the venue provides opportunities for local juvenile league events, music and performance events, and can be a multipurpose use facility for days with no games. Thanks in advance for your consideration.
