On Behalf Of: Lane County Multi Use Public Facility

Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: HB5201

To whom it may concern,

Please consider building this multi use facility. My husband is an avid fan of the Emeralds and loves going to as many games as he can. Sometimes he gets me to come with him too! He is always bringing our nieces and nephews, in laws, and friends to the games. I know so many fans who would be devastated if the Emeralds moved to a different city. To be quite honest, I would be devastated as well. I enjoy my alone time once in a while when my husband goes to the games with his friends. Please don't take that away from me. He comes home in a great mood even when Emeralds don't win. In all seriousness, having the Emeralds local has been a family favorite activity. I believe it would be big mistake to move the team elsewhere.

Sincerely, Kim
