

Submitter: Dayna Connaughton

On Behalf Of: HOPE Plaza Housing Project

Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: HB5201

The need for housing and assistance for survivors of domestic violence is SO important. If we as a society are to move in any forward direction of progress, WE MUST take care of our Women and Children. As a survivor myself I wholly support the HOPE Plaza Housing Project and please ask that you strongly consider them in this bill. Thank You!
