

Submitter: Kristi Tomlin

On Behalf Of: Center for Hope and Safety

Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: HB5201

I support funding for HOPE Plaza to house and help DV victims. I hope we can help victims of post-separation abuse (the MOST dangerous time for women; 75% of DV murder takes place once they flee), DV, sex trafficking find a safe place to stay, start over, and hide if necessary. Thank you.
