

Submitter: ELAINE LAVINGTON

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB1547

I urge you to pass this bill to help adolescents addicted to substances get the treatment they need to recover from their addiction and to support parents in getting the help their child needs. Earlier treatment of addiction results in better outcomes and reduced the risk of death from overdose. I wis the treatment would be 30 days instead of 14 days. This bill will save lives.
