

Submitter: Larry Duyck  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HB4026

Chair Fahey and members of the committee,

I am opposed HB 4026.

It is a back door bill being pushed by the development community. It is targeting the small town of North Plains in Washington County. The City Council and Planning Committee members in North Plains have ties to or are themselves realtors.

The residents of this town support a referendum to have their voice heard. They want to allow all residents to have a voice in how their city will grow.

Please do not pass this bill.
