On Behalf Of: Oregon Child Development Coalition  
Committee: Senate Committee On Rules  
Measure: SCR212

Remarks regarding Senator Cliff Trow

Senator Trow was a true elegant, gentleman statesman. He cared deeply for the people of Oregon and worked tirelessly both in his Senate seat and privately to impact systems and resources for those less fortunate. He served on the Oregon Hunger Task Force and worked to impact systems to support those in need. He saw food and positive nutrition as a need and a right and continued that advocacy after he left office.
