

Submitter: Laurie Dougherty

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB4106

Chair Helm and Vice Chairs Hartman and Owens,

I urge you to oppose HB 4106. Forests on public land provide many benefits: clean water, wildlife habitat, biological diversity, carbon sequestration, natural beauty, and recreational opportunities. HB 4106 would undermine these benefits by prioritizing timber harvest over other considerations.

Please vote No on HB 4106.
