Measure: HB4024

I am NOT opposed to campaign finance reform. We need it desperately, but the long amendment has changed my being fine with a placeholder to strong opposition.

We don't need more loopholes!

We don't need bills turned into the opposite of their intention.

We need a bill that accomplishes what is needed. i.e. limiting contributions not protecting the influence of money. We need to keep the moneyed interests limited and put the people back in the game.
