

Submitter: DOUG PERLE
On Behalf Of: HB2024
Committee: House Committee On Rules
Measure: HB4024

Ore-gone "Lawless makers",

Are you for the public you own or for the public? This "secret" bill is just the thing that anti-public freedom wants to approve. This is more of a Soviet Union tactic than an American choice opportunity. This bill subverts the rights of true Democrats and Republicans.
