Hey Jason,

Let's get this done!! Very excitin!. I've been working for improved trails in Bend and Central Oregon since 1989 as the founder of Biking for a Better Community that later evolved into Commute Options for Central Oregon. I passed the torch to others to serve on the Bend Planning Commission and then City Council. Now a member of Bend Bikes. MORE SEPARATED TRAILS IS WHAT WE NEED TO INCREASE SAFE CYCLING AND WALKING AND REDUCE URBAN AUTO USE WITH ITS MYRIAD HEALTH AND ENVIRONMENTAL HAZARDS.

Thanks for all your great work on behalf of Bend, Central Oregon, and a healthy planet.
