

Submitter: Michael Parker

On Behalf Of:

Committee: House Committee On Judiciary

Measure: SB1576

I wish to speak in favor of SB1576, and amendments 3 and 8 of the bill. I believe recreational immunity is an important issue for keeping hiking trails, hot springs and other recreational areas in the state of Oregon open to visitors from within and without. Please consider speedy passage of this bill during this expedited session of the legislature. The Senate has already passed it by a very wide majority vote and I wish to see it become law.
