Measure: HB4130

Dear Senators,

I am a physician who is writing in support of HB 4130. This is particularly important to me as from my experience I strongly feel that corporations should not be in the practice of medicine. Their involvement has caused delays and harms with patients that I have personally cared for, and I urge you to pass this bill to keep the practice of medicine between a patient and their provider.

Sincerely,  
David Nguyen, DO
