

Submitter: Tina Chee

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: HB4130

When you or your family are the patient, do you want to be wondering if a referral, medication, test, or procedure is truly medically necessary or simply revenue generation? As more physicians are now employees, we need stronger protections to prevent corporations and profit-driven interests from influencing and hindering physicians' ability to care for patients and the physician professional assessment on what is in the best interest of the patient.
