On Behalf Of:

Committee: House Committee On Judiciary

Measure: SB1576

Hello, I'm writing in support of SB 1576. Recreation and our exquisite natural beauty is one of the cornerstones of our beautiful state. Limiting access is bad for tourism and also residents who use this access regularly. Please don't let a few litigious people ruin it for everyone. Please support SB 1576. Thank you. Amie Davis
