

Submitter: Jared Essig

On Behalf Of:

Committee: House Committee On Education

Measure: SB1502

Propose amendment to this measure, extending Oregon public meetings law to explicitly require that "PUBLIC NOTICE" for school district meetings be provided on the NOTICE BOARD of every high school, and of every public library within the school district's jurisdiction, in order to come into compliance with Federal accessibility law and basic principles of representative democracy. Students should know that school district meetings are happening, where and when they are happening, what is being discussed, and have opportunity to participate.

Propose amendment permitting Alumni of school to give public comment at School board meetings, even if they currently reside out-of-district.
