Committee: Senate Committee On Rules

Measure: SCR213

As a former member of the Oregon Army National Guard & resident of Clatsop County I witnessed first hand the impact Kennys loss had on the community.

This young man was originally assigned to the Oregon National Guard's 1st Battalion, 162nd Infantry, but he VOLUNTARILY switched units to deploy overseas with the 2nd Battalion, 162nd Infantry

Kennys memory deserves to be memorialized it would be shameful for the committee to allow this request to become stagnant.
