

Submitter: Natalie Wiseman
On Behalf Of:
Committee: Senate Committee On Health Care
Measure: HB4130

Dear Senators,

I am an ER physician writing in strong support of HB4130, which is a necessary measure to protect our patients, staff, and profession from the corporate practice of medicine, which impoverishes care by extracting wealth from a system which is sorely overburdened. The corporate practice of medicine is a threat to our health, and needs to be limited.

Sincerely,

Dr. Natalie Wiseman, MD, PhD
